

### REMARKS

Claims 21-26 and 44 are presented for consideration by the Examiner. Applicant notes with appreciation the indication in the Office Action mailed May 17, 2005, that claims 21-26 and 44 are allowable. Claims 21 and 44 have been amended herein to correct a typographical error. Claims 10-20 and 27-43 have been canceled herein, and claims 1-9 were previously canceled, such that all the claims remaining in the application were indicated as being allowable and every ground of rejection has been addressed.

#### I. POWER OF ATTORNEY

Enclosed herewith is a Power of Attorney signed by applicant. A copy of the Power of Attorney was previously provided to the Patent Office prior to initiating an Examiner Interview. Applicant respectfully requests that the U.S. Patent and Trademark Office records be modified to correctly reflect the proper Power of Attorney as provided herewith.

#### II. CORRECTIONS TO DRAWINGS

Enclosed herewith are replacement sheets for FIGS. 1-5. Replacement sheets for FIGS. 4 and 5 incorporate changes approved in the Office Action mailed May 17, 2005, and also formalize the drawings in accordance with applicable regulations. Replacement

sheets for FIGS. 1-3 merely formalize the drawings in accordance with applicable regulations. No new matter has been added. Applicant submits that the drawings are now in proper condition and acceptance of the enclosed drawings is respectfully requested.

### III. CONCLUSION AND AUTHORIZATION OF DEPOSIT ACCOUNT

In view of the foregoing, applicant believes that claims 21-26 and 44 are all allowable and the same is respectfully requested. If any impediment to the allowance of these claims remains after entry of this Amendment, and such impediment could be alleviated during a telephone interview, the Examiner is invited to initiate the same.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 50-0836.

DATED this 2 day of June, 2005.

Respectfully submitted,

Karl R. Cannon
